Screen Frame Plungers / Tools / Roller Kit

**S-9 Storm Window Tool**

SPREADER * STRAIGHTENER * CRIMPER

Quickly spreads corners of frames for removal of old tilt keys and corner keys. Provides fast and effective crimping of storm window and screen frame corners. Centered steel dowel dimples frame to hold corners tight. Oil hardened replaceable jaw plates. Flat jaws provide ideal surface for straightening. Cast iron construction.

**S-30 “ELIMINATOR” GLASS CALIPER**

Specificially designed to eliminate errors during insulating glass unit fabrication. The “Eliminator” makes it easy to measure insulated glass thicknesses up to 1-3/4” in sliding windows and doors. Complete with embossed scale on both sides of caliper. Opens to a wide 7” to fit around almost any frame. Plated stamped steel construction. Comes in a durable, foam padded polypropylene carrying case.

**Mechanics Best Helper**

The R-200-Kit contains over 160 pieces for rebuilding more than 50 types of patio door roller assemblies.

The kit is organized in a convenient plastic case complete with contents diagram for easy reference.
