

BetterVue®

BetterVue insect screen is an improved Visibility screen (iVis) that offers clearer views with enhanced insect screen performance. It is suitable for all window and patio screen door applications.

- Greater openness provides better airflow, allowing natural light and fresh breezes to flow through
- More optical clarity for a sharp, more brilliant outward view.
- Improves light transmittance in low-E glass windows with better insect protection
- Passed accelerated weathering tests (QUV 1200hrs. and Xenon Arc 2500 Kjs.)
- GREENGUARD certified
